## DTCS HEAD OFFICE IN PARTNERSHIP WITH MOPANI DISTRICT COMMEMORATE INTERNATIONAL NELSON MANDELA DAY

Vongani Chauke & Mandla Mathonsi

**Giyani** - The Limpopo Department of Transport and Community Safety (DTCS) Head Office joined Mopani District to commemorate the international Nelson Mandela Day on 18 July 2025 at Ndindani village, Giyani. This was to support the district staff in the project they started a few years ago of building a house for an indigent family in the village through personal annual monetary contributions.

The day started with MEC Violet Mathye paying a courtesy visit to the Ndindani Traditional Council, followed by a celebration of Mandela's birthday at the local nursery centre with 105 children. The entourage then proceeded to work on the house that is being built with the assistance of volunteers from the Department of Public Works and Infrastructure.

MEC Mathye and her guests, which includes the local traditional leadership, Acting Executive Mayor of Mopani, Cllr. Basani Shibambu, Greater Giyani Acting Mayor, Cllr Conny Manganyi and sponsors joined staff volunteers who helped with building the Mathebula's family house project, cleaning and planting donated trees and vegetable seedlings at the nursery school and local community care centre.

# WELLNESS SCREENING FOR HEAD OFFICE STAFF

Mankoe Manamela

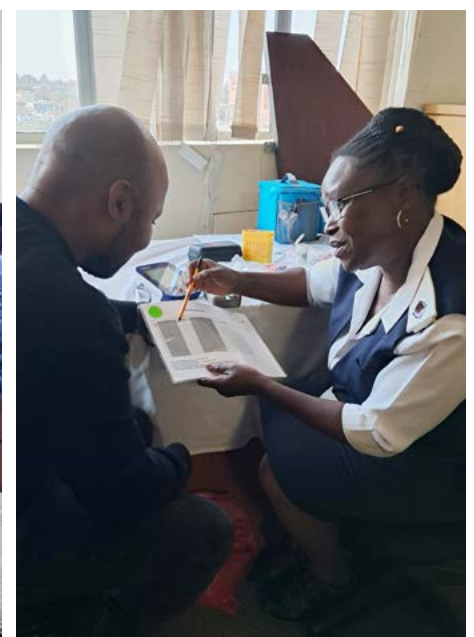

**Polokwane** - Limpopo Department of Transport and Community Safety's Employee Wellness and Special Programmes Directorate held internal wellness screening for employees on Wednesday, 31 July 2024 at the head office, Phamoko Towers in Polokwane.

Old Mutual Limited, an investment, insurance and banking company, was invited to share information on financial wellness, highlighting the importance of managing finances and avoiding debt.

Employees further engaged in a presentation on the two-pot retirement system that will allow retirement fund members to make partial withdrawals from their retirement funds before retirement time and similarly on marriage regimes and their implications.

The Department of Health shared insight on cancer awareness, including its types, signs and symptoms, risk factors, and treatments.

Various services such as general health screening, HIV counseling & testing (HCT), and optometrist services were rendered by invited professionals.
