## Staff Writer

**Polokwane** - The Limpopo Department of Transport and Community Safety warmly welcomes new team members to MEC Violet Mathye's office. Yesterday, 1 October, Head of Department Stephen Matjena and Chief Director for Corporate Management Services, Ngoako Mangena hosted a joint welcome and induction session for the team at Phamoko Towers in Polokwane.

The new staff will support MEC Mathye in the following key areas: office administration, media relations, community engagement, and legislative affairs. In his address, HOD Matjena stressed the importance of them promptly familiarising themselves with departmental operations to swiftly assume their responsibilities.

During induction, Human Resource Management and Strategic Management Directorates presented on constitutional principles, role clarification, performance evaluation, leave policies, and compensation guidelines. This comprehensive onboarding ensured seamless integration.

We warmly welcome our new colleagues and wish them success in their roles.
