

Limpopo's Road Safety Superstars are LIVE!

Day Two Showdown at National PET and Debate Finals

The energy is electric in Tshwane as Limpopo Province's brightest high school learners battle for top honours in the national Road Safety competitions! Hosted by the Road Traffic Management Corporation (RTMC) and the Department of Transport, these young superstars are showcasing their innovative thinking, practical solutions, and compelling voices to curb road fatalities.

PET Competition Highlights:

- Ditlalemeso Secondary School (Capricorn District) - Urban PET Pioneers
- Risinga High School (Mopani District) - Rural PET Visionaries

Debate Teams:

- Rural Debate Team: Marumofase High School, Thohoyandou Technical High School, and Liivha Combined School
- Urban Debate Team: Phafane High School, Dendron Secondary School, and Nare High School

"These learners are not just competing for a title; they are actively shaping the narrative on safer roads for our nation." - Mr Elmon Mokoni, Director for Road Safety

Let's support our young road safety advocates!
