High traffic volumes are expected on the following routes:

Around Moria: R71 in both directions and D4040 (Boyne-Maja) road are expected to experience heavy traffic, which will later spill over to R37 towards Burgersfort and R579 towards Lebowakgomo.

Polokwane Directions: The N1 Bypass towards N1 and R101 southbound, as well as R81 and N1 northbound, will experience a sharp increase in traffic volume. This includes D19 Matlala Road and R567 Gilead Road towards N11.

Motorists travelling towards Gauteng are urged to be extra patient, as long queues are expected at tollgates due to the high volume of buses heading in that direction.

We urge all motorists to:
